

2020 VIRTUAL #AFWLIFEST

Welcome to the 2020 edition of the Alliouagana Festival of the Word. These are challenging times but we are so happy that we could bring you the festival in virtually. It allows us to share more of our local authors and creatives with you and to connect with booklovers and wordsmiths no matter where they are.

This year, we want to acknowledge the continued support of the Government of Montserrat through the Montserrat Arts Council and the team at Goldenmedia LLC who worked with me to produce this online experience. All of the sponsors, authors, readers, speakers, our media partners mentioned throughout this booklet are the stars who made this event possible and we are grateful.

You can learn more about the festival at www.litfest.ms and follow all of the scheduled activities on [Facebook.com/afwlitfest](https://www.facebook.com/afwlitfest), all of the Discover Montserrat social media and our YouTube channel.

Nerissa Golden, CEO Goldenmedia LLC and Festival Organiser
